

## YOU NEVER HAVE PEACE OF MIND

~ Zen Master Thich Dieu Thien ~

*You never have peace of mind  
Because the mind always creates two sides.*

*Good and bad,  
High and low,  
Rich and poor,  
Right and wrong.*

*Where's the place for peace of mind?  
Both sides always fighting,  
Creates a lot of conflict within yourself,*

*Peace and war  
Happiness and sadness,  
Love and hate,  
Living and dying.  
As long as you are in this cycle,  
you never have peace of mind...*

*What is real?  
What am I?  
How can I be truly happy?  
Wake Up from this illusion.  
So Thay can bring us to Thay's world  
Wake Up from this illusion.  
Truly happy and free.*
