

INCENSE OFFERING

We earnestly bow
And sincerely offer this incense
To all Buddhas and Bodhisattvas
Throughout space and time.

For many lifetimes,
We drift in the cycle of birth and death,
Wander and forget our way back.
Now we make a great vow:
Release the shore of ignorance in this
lifetime,
Return to the original Awake source,
The Awake world of Buddhas past,
present, and future,
Help countless sentient beings,
Bring them back to their true Awake
nature,
Become free from the cycle of birth and
death,
Attain complete liberation from now.

Buddhas in the ten directions verify
Our vow will never change.
